AREYG

3-10-4 fertilizer, and sometimes with sulphate of ammonia, at the rate of about a pound a square cod, A good time to make these applications is during, or just before, a gentle rain, which will carry the fertilizing material down into the coil to the feeding roots.

The development of a thick and velvety lawn depends much upon keeping the growth cut to a medium and constant length. Judgment will determine just how to adjust the lawn mower as regards closeness of cutting. A good rule to follow at least during the early summer months, is to cut the grass whenever an inch or an inch and a half of growth is made. When cut in this manner the clippings should be left on the lawn to form a grass mulch over the mankind. You may expect to get more than your meney's worth. It serves with out of the beverage on the currace of the ground.

Food Specials For Wednesday

"The Nearest You Can Get"

Krueger's Special is a cereal beverage brewed in accordance with the legal requirements - but also brewed from the same ingredients as the famous Krueger's Old Brew.

Help us to keep the cops from alloton. Help us to keep the cogs from allo

BEER LADEN TRUCKS

TRAVEL CONNECTICUT ROADS Disclosure that enormous quantities of eer are being shipped into Connecticut rom New York was made Sunday by the from New York was made Sunday by the state highway department. A report on an inquiry conducted by the department to determine the character of commodities carried by motor trucks over the Boston post road at Greenwich showed that approximately 31.194.000 pound miles of the beverage are annually being brought into the state over the main state highway alone. Beer imports into the state by this form of transportation were shown to be exceeded only by those of groceries and household goods.

prelifereds. This was taken to show that utuck transportation was considered much more desirable for beer than rallway

alture. In order to determine, even ap any highway. It was explained, the type and not incoming of the commodities moving over the road and in estimation of the value of the products must be known. This particular analysis dealt with the value of transport service. Highway ser.

1. Trucks in Connecticut are compet-ing with the railroads for high value commodities, where the saving in time

The highway department has also made a survey of traffic over the state highway at Thompsonville. It has estimated that, on this road and the Boston post road, the value of the service rendered for a year by passenger cars and motor trucks is about \$17,000,000.

FIRE IN BEDROOM

OF BROADWAY BESIDENCE

OF BROADWAY RESIDENCE
Timely discovery of a bines in a room on the second story of the residence at No. 111 Broadway occupied by Mrs. M. H. Coit and her son. Charles Coit, and the prompt and efficient work on the part of the fire department prevented a serious fire Tuesday aftermoon Julius W. Cadden who was passing the residence shortly after three delock, saw the blare and immediately pulled in Box 21, located at the head of the Little Plain on Broadway.

The firemen found a blasting dresser in Miss Coit's room on the second story. The fire was just beginning to gain considerable headway when it was discovered. A well directed chemical stream soon extinguished the fire although the dresser was practically destroyed. Mrs. Coit was down stairs at the time the fire broke out and knew nothing of the fire until it was discovered by Mr. Cadden. The young son of Mr. Coit was at heavy with the grandwards. den. The young son of Mr. Con-at home with his grandmother at the time. He told the fremen he was out-side the house when the fre started and knew nothing of its origin. As far as the fremen learned no one had been in the room during the afternoon.
